

2012 North American Youth Exchange Achievement Awards Instructions

Attached is the application for the 2012 NAYEN District Achievement award. It is in writable pdf and should be opened using the latest version of Adobe Reader (which is free from the Adobe web site.) Once the form is opened in Adobe complete all the required information (your district number need only be entered once and will propagate throughout the form in all required places.) There are several questions which ask for an explanation and there is a box under the question where the information can be typed in. You will note that as your total points will automatically total at the end as you go along. If you complete the 50 point bonus question be sure to enter the 50 points on the required line. When completed go to "file" and then "save as" and name the file with our district number - i.e. 6990application.pdf You can then send the form to Lyn Stroshin at this e-mail address:

lyn50@telus.net.

Note that if you need to reopen the form to edit it you can do so using the file name by which you saved the file.
